We are focusing on lead free water technology

lead-free

Company Profile

Taizhou Camega Valve manufacturing Co.,Ltd is founded in 1990 and we are the largest professional manufacture of brass and bronze press fittings in China .

With several years of development, our factory is engaged in high quality lead-free brass, bronze, DZR materials valves and fittings now. We are among the few factories in China possessing the technological capacity for manufacturing the ECO BRASS valves and fittings.

We have 100 employees and 20 QC people. In order to improve the quality and meet with customers demands,we have equipment 100 sets of high precision CNC machines and spindle transfer machines,15 sets of different kinds of pressure testing equipments. We have spectrometer to testing the raw material every batch.Comparing with the competitors,we have a more strictly testing standard. Because we believe the quality is the company's life.Our Sales amount in 2016 is over than 10 million U.S dollars.

Our company has been certified by ISO9001 International Quality Management System and our products are passed the NSF61,NSF372,cUPC, certificates.DVGW,KIWA and WRAS is under processing.

We would like to express heartfelt thanks to all friends who have been helping and supporting our company. We sincerely welcome customers from all over the world to cooperate with us for a brilliant future.

CAMEGA, where your green technology starts...

DragonBite™

*The NO.1 Brass Press Fittings Supplier In China.
The World-Class Quality!*

Press Fittings

- Product Confirms to EN 1254
- Product is compatible with EN 1057 copper pipe
- DVGW,WRAS KIWA certificates are available
- OEM offered
- Products are widely used for drinking water,solar and gas system
- Insurance covered and worry free
- LBP O-ring

High performance ECO brass material and forging process
